*Classes subject to change

AYB PERFORMANCE

A full body, fast-paced, strength and cardiovascular movement class that builds functional strength while burning calories.

AYB FOUNDATIONS

Learn the movements necessary to build strength cardiovascularly and muscularly in a smaller group setting.

ATHLETIC DEVELOPMENT

A series of structured movements designed to aid an athlete in achieving optimal performance.

TRAINER'S CHOICE

A group workout incorporating all fitness principals that also expresses the individual trainer's creativity.

YOUTH FOUNDATIONS OF STRENGTH & CONDITIONING

Class designed for ages 8-15 to teach body awareness, correct movement patterns and improve strength, stability and power. Class will be divided into groups according to age/ability level.
